MATERIALS

- » Leftover bits of cotton fabric in light colours
- » Iron-on transfer film
- » Approx. 1m (39") of string
- » Illustrations for [download](#) 

HOW-TO

1. Cut the fabric to a size of 50x70cm (19.5"x27").
2. Sew the lower and lateral edges together and neaten.
3. Trim the upper edge leaving a small gap for the string.
4. Print the desired motif on the transfer film and iron onto the bag.
5. Thread the string and tie a knot at the end.
