TITLE

GREY TULLE SKIRT

FEATURE

Tulle in Dublin

SISTERMAG

N°13

MATERIALS

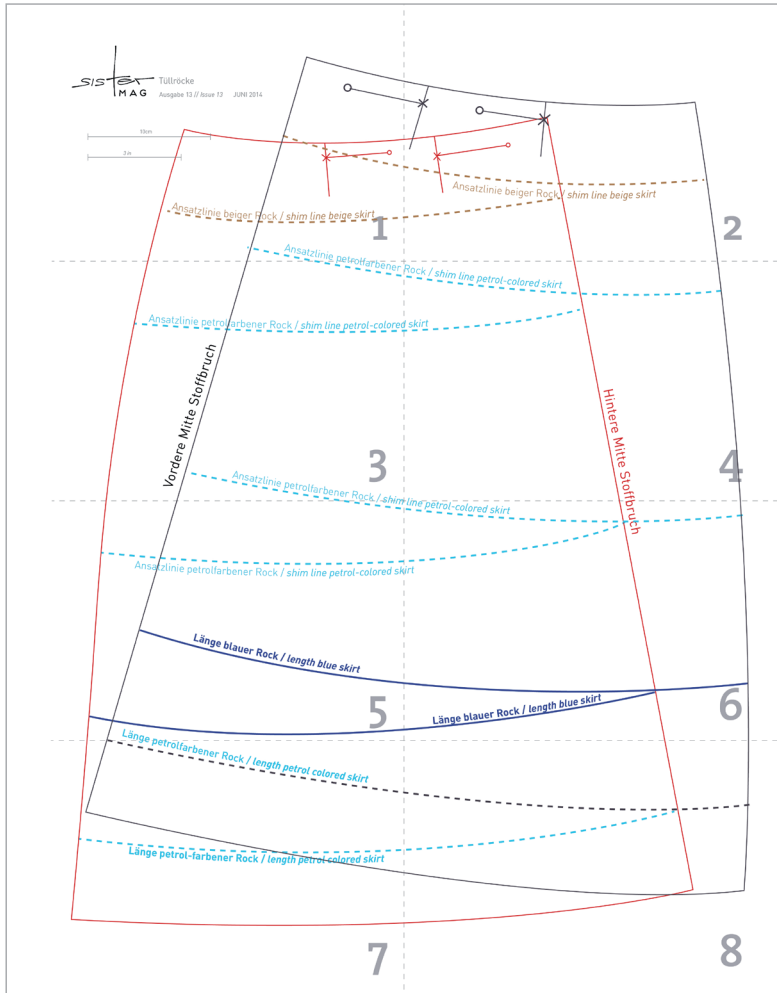

- » 4m grey nylon tulle
- » Zipper 22 cm
- » 12 mm wide elastic in waist size
- » 1.4m grey silk or silk lining
- » 1.5 m cm black velvet ribbon

STEPS

1. In the first step, cut the lining skirt
2. From the 4 m long double Tüllbahn lying on the open side, cut off a strip of 6.5 cm (use this as a ribbon for gifts)
3. Gather each track by the broken edge of the tulle (it will form a small ruffle at the waist, which prevents the skirt from looking too bulky)
4. Turn over the ruffle tape on the lining skirt, which creates a neat top
5. Sew the second seam 1,5 cm from the edge. Sew the silk ribbon on top of this tunnel, let the ends stand out a bit and put in the rubber band to the desired length
6. Neaten the ends of the silk ribbon and sew on snap button
