INSTRUCTIONS

1. Cut out the template, glue it together, pin it to the fabric so that it doesn't slip, and cut it to size.
2. Fold the strip right sides together lengthwise down the middle.
3. With 1 cm distance, sew the strip together and tack the ends.
4. Turn with the help of the loop turner. Then iron.
5. Pull the elastic through the tunnel using the safety pins. Knot the ends together or sew them together with a zigzag stitch.
6. Tuck one end of the scrunchie a little into the other end. It is best to fold the ends a little. Sew the ends together at the edge. Make sure the elastic is on the inside and sewn in place.
