### MATERIALS

- » download and print the template
- » A pair of scissors
- » a glue stick
- » a nice frame

### HOW-TO

1. Download and print the teacups and the background.
2. The black lines are supposed to be cut with a knife. Cut out the cups and carefully bend them.
3. Slide them into the cuts. If possible present the advent calendar in a nice frame.
4. How could I fill this calendar? – teabags – eraser – small sweets and chocolates – mini perfume bottles and other beauty products –
