N°25

MATERIALS

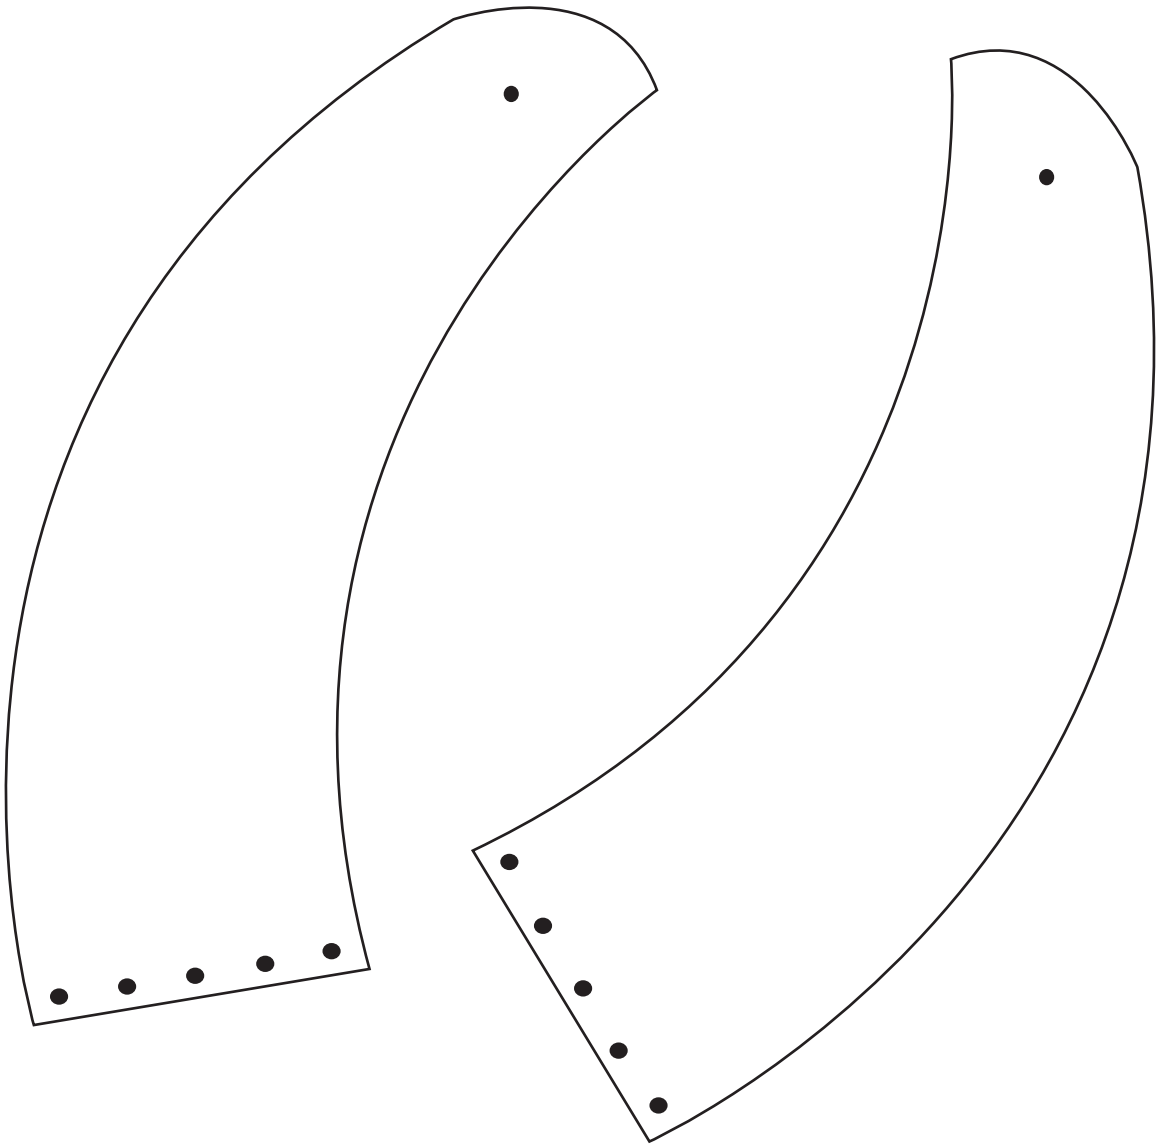

- » wooden peals
- » yarn (38cm)
- » 2 pieces of leather
- » a needle

HOW-TO

1. Use the needle to thread the yarn through the first hole in the leather piece and tie it.
2. Repeat that step with the other 4 peices of yarn.
3. Thread 20 wooden pearls on each yarn.
4. Connect the ends of the yarns with the holes of the other piece of leather. Here you can choose a random hole to create a layered effect.
5. Tie everything and you are done!

MATERIALS

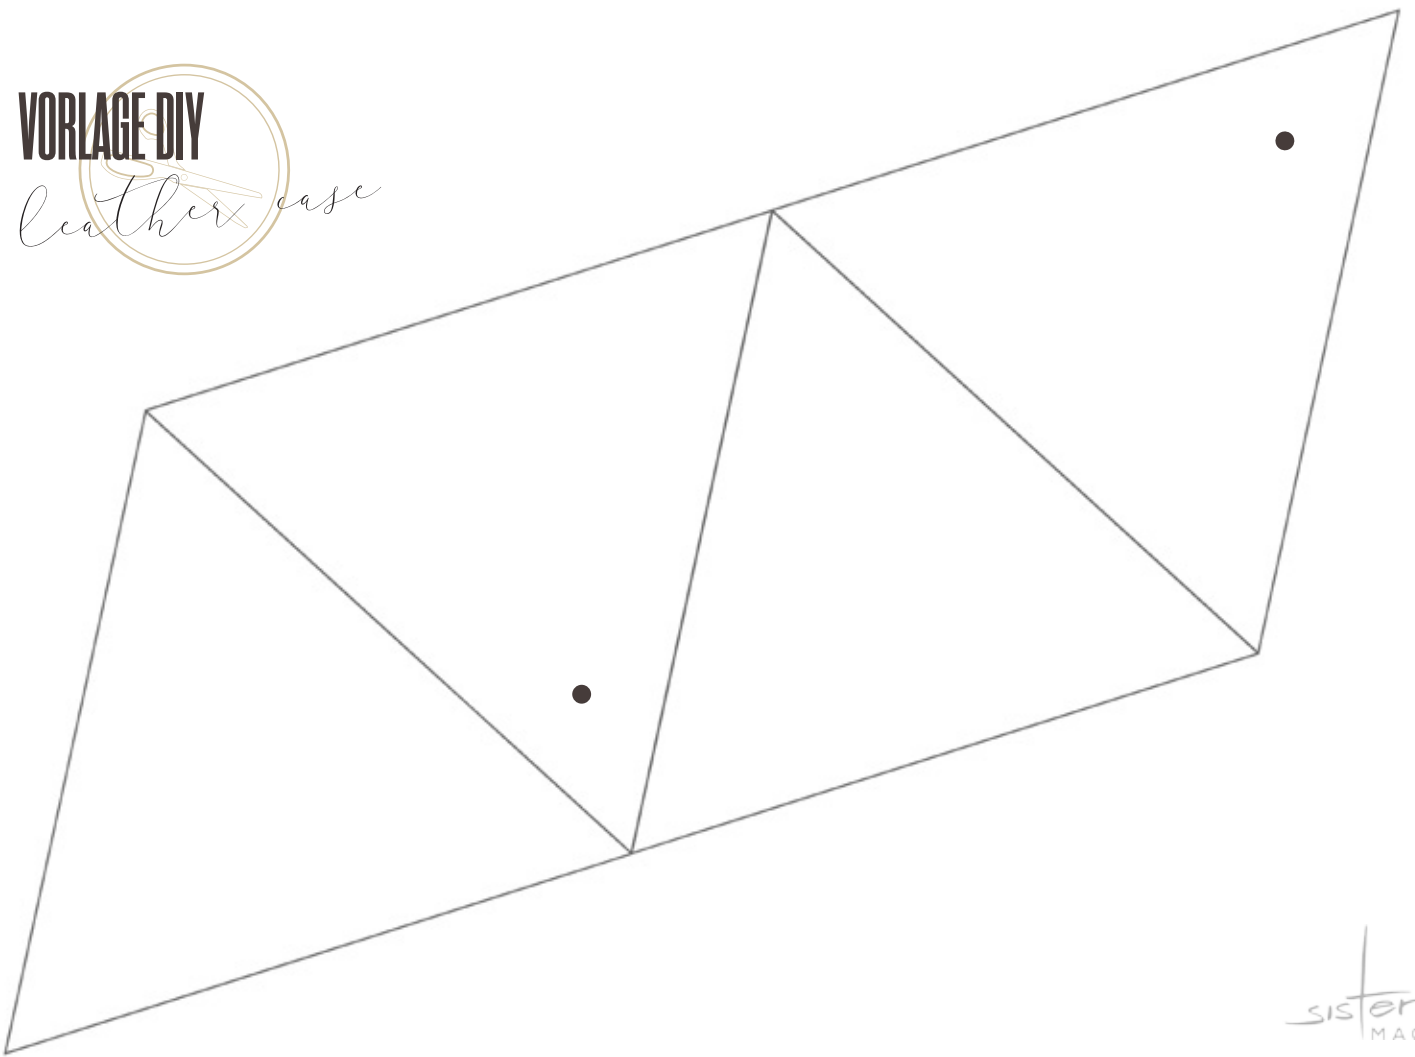

- » Piece of faux or real leather
- » screw rivets (6mm)
- » cutter
- » fabric glue
- » cutting pattern
- » cutting mat

HOW-TO

1. Print out the cutting pattern, place it on your leather piece and use the cutter to cut it out.
2. Pierce two little holes where it's marked.
3. Attach a screw rivet to the middle hole.
4. Fold the leather into a triangle and fix it with some glue on the sides.
5. Now the second hole should exactly match with your screw and you're done!

N°26

MATERIALS

- » 3 printed posters (A3)
- » 6 wooden sticks
- » tape
- » string

HOW-TO

1. Stick 4 strips of tape to each wooden stick.
2. Attach a wooden stick to the bottom edge of the poster.
3. Repeat step 2 on the top of the poster.
4. Stick the string to the top of the poster and attach it on both corners. Use a bigger strip of tape for that step to ensure that it stays together.
