N°31

SIZE 36 / 38 EU / 8 / 10 GB/
4 / 6 US

MATERIALS

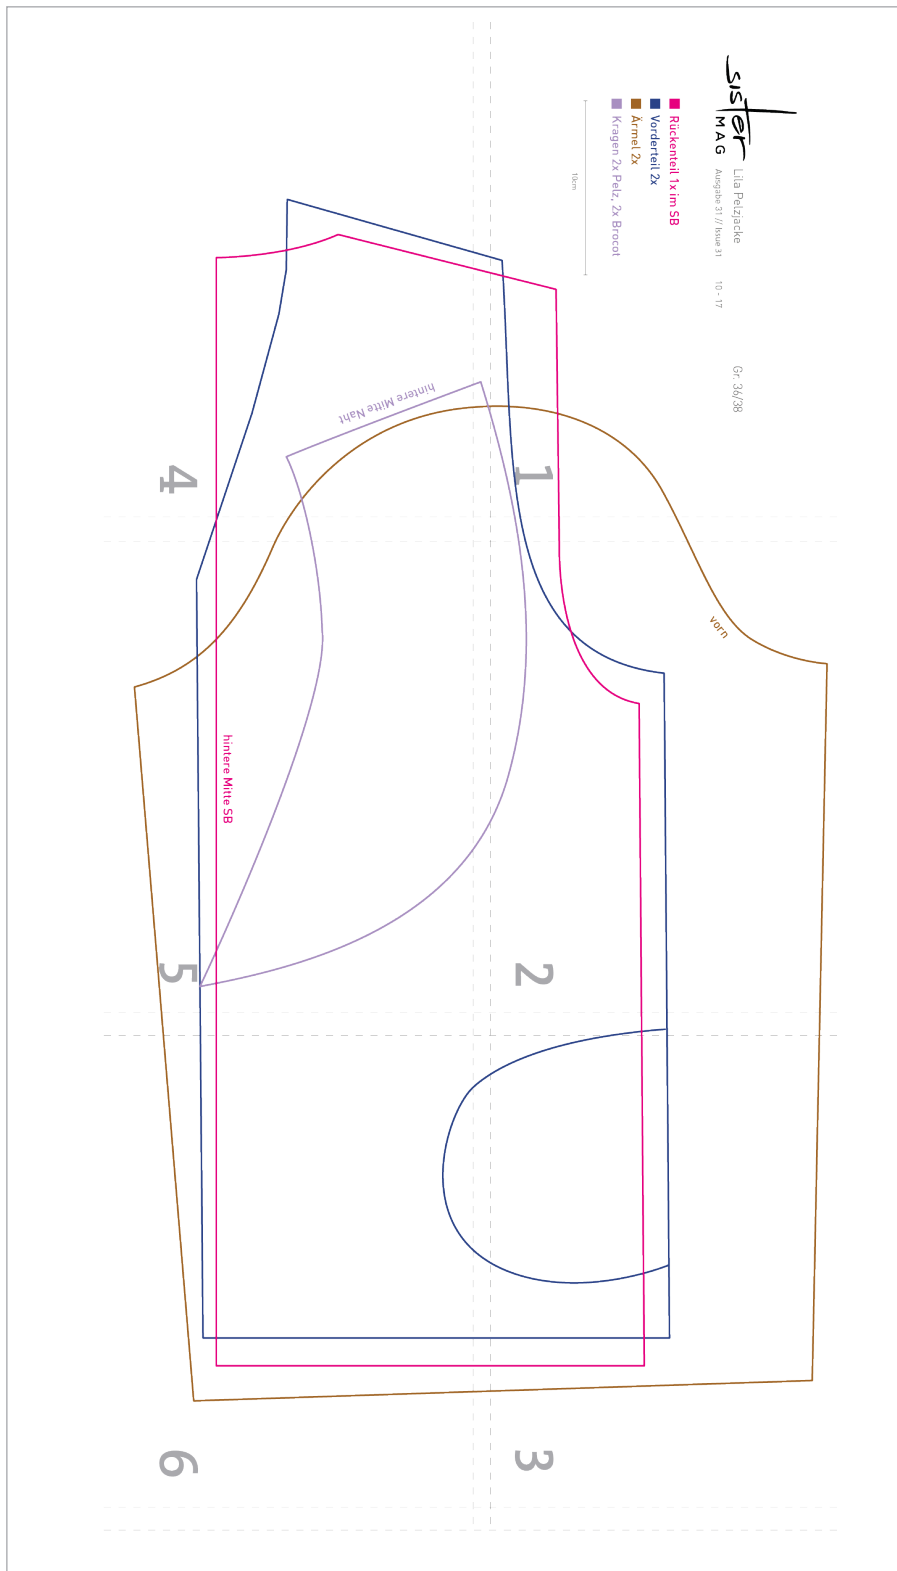

- 1 m /1.1 yd fake fur seen at <http://bit.ly/2zpvm9h>
- Brocade fabric
- Diagonal stripe

HOW-TO

1. Sew side and shoulder seams.
2. Insert a seam pocket on the right side.
3. Close neckline seam and turn over with brocade.
4. Sew the sleeve seams.
5. Insert sleeves.
6. Sew the collar onto the neckline (this is best done by hand)
7. Fold edges inward and sew up by hand
8. Hand-hem the sleeves
9. Sew the sleeve cuffs and sew onto sleeves gathering sleeve fabric as necessary.
10. Brush the seams using a brush
11. Fake fur is quite thick and not easy to sew. I cut the hair at the edge of the seams to make it easier to handle. I created a simple pattern as the seam pocket is a challenge in itself for a standard sewing machine. I trimmed some of the inner seams using diagonal stripe, which you can only do by hand anyway.
