HAIR COMB WITH DRIED FLOWERS

by Pauls Vera

MATERIALS

- Hair comb (e.g. from the drugstore)
- A piece of felt
- Hot glue gun
- Dried flowers (e.g. straw flowers, Limonium, Thistle, Lavender)
- Scissors, if necessary, wooden sticks to spread/portion glue

DIYS**

STEP 1

Cut a piece of felt (about 2-3 cm wide and as long as the comb) and attach it to the comb with the hot glue gun.

STEP 2

Drape the flowers on the piece of felt and attach them with the hot glue gun. Work symmetrically from the outside to the inside.
