

# Checkerboard tablecloth

ISSUE

64

## MATERIAL

tablecloth (preferably made of cotton or linen, old fabrics are also suitable here)

angular sponge

cutter

ruler

pencil

fabric paint in black & white

paint brush

flat iron

protective sheet

## INSTRUCTIONS

1. Measure the sponge and mark checkerboard lines.
2. Carefully cut the sponge with the cutter to create a checkerboard pattern.
3. Lay the cloth out flat with a protective sheet underneath.
4. Mix your desired colour and use the sponge as a stamp. If necessary mix the paint with a little water so that it becomes more liquid. The sponge absorbs a lot of liquid.
5. Carefully stamp the cloth, gently press the sponge onto the fabric.
6. Allow to dry and iron for 2-3 minutes so that the fabric paint holds well.
