MATERIAL

print template on A4

scissors

elastic band

felt in black and white

hot glue gun

pencil

INSTRUCTIONS

1. Print template on paper and cut it out.
2. With the pencil trace the template on black and white felt and cut out.
3. Glue the felt pieces together using a hot glue gun.
4. Cut a piece of rubber band (about 20cm, it's best to just measure the child's head beforehand)
5. Make small incisions on the side of the mask (at eye level) and knot the rubber band there.
6. Finished!
